Embodying the spirit of Recovery
Helping individuals achieve self-fulfillment

Pathway Homes, Inc. is a private 501(c)(3) not-for-profit agency serving the Northern Virginia area, providing supportive and residential services to adults who are experiencing mental health or co-occurring disorders.

Pathways works collaboratively with a variety of community partners to create a wide network of services and supports to best meet the needs of individuals and to help end homelessness in our community.

The agency is supported by private donations and receives funding from the Department of Housing and Urban Development. It also receives state and local funding as a contract agency of the Fairfax-Falls Church Community Services Board.

Pathway Homes has been a leading provider of housing and support services for adults with mental illness and co-occurring disorders in the Northern Virginia region for more than thirty years.

Our Services
Pathway Homes offers a broad continuum of housing programs, ranging from highly intensive to highly independent residential settings. Services are provided in a variety of settings to include single-family homes, townhouses, condominiums and apartments. We also provide support services to individuals living independently in the community. Our talented and committed counselors provide an array of support services to help each individual develop the needed skills and build the necessary confidence to achieve the greatest level of self-sufficiency and fulfillment possible.

Programs Include:
- Assisted Living Facility
- Intensive services in single-family homes
- Moderate-level and drop-in services in shared housing and apartments
- Consumer-directed housing
- Moderate-level and drop-in services in housing designated for individuals who are homeless
- Support services for individuals residing in independent housing

Recovery-Based Services
- Assistance with developing skills essential for daily living
- Managing mental health, substance use and medical issues
- Strengthening relationships and developing social networks
- Community integration and accessing community resources
- Support with educational, advocacy and pre-vocational pursuits
- Coaching and support of healthy life habits
- Fostering the development of personal goals
